REQUEST INFORMATION

Re: Firewall Exemption I would like a firewall exemption for the following IP addresses and applications. My agency has compensating access controls, which identify and authenticate all users.

IP Addresses include:

___ Attached list.

Applications include:

___ Attached list. My agency has (check one):
___ It's own firewall authentication procedures;
___ Uses a secure private network;
___ Has other alternative procedures – stated here: _____

Please state the purpose and business need for the exemption request:

Please give a brief description of the business process associated with this exemption request.

Signature of Agency CIO or Agency Head:
